

We are delighted to see the continued success of mouth cancer awareness day.

All patients who attend our clinic are routinely screened for mouth cancer as part of there examination.

This event is important to highlight mouth cancer and the ease and effectiveness of this screening.

This screening is free to all new and existing patients in mouth cancer awareness day.

Please encourage friends and family to attend if they do not routinely see a dentist.

More information on mouth cancer can be found at www.mouthcancerawareness.ie

You can always discuss this disease with our highly trained dentists.

Call or email us to arrange a screening.
